

I ALREADY WORK SAFE. The Gel helps me work safer.

Because the Gel gives me extra protection against HIV when I use it with a condom. ***Make the Gel your back-up plan.***

For more information, go to the nearest health facility, visit www.nagel.co.ke or call the free ***Gel Hotline at 0800 000 000.***

The Gel lets me serve my clients better.

Because I can focus more on satisfying them and less on worrying about HIV.

Make the gel part of your daily routine – insert it twice a day.

For more information, go to the nearest health facility, visit www.nagel.co.ke or call the ***free Gel Hotline at 0800 000 000.***
